From a tile border design, to the entire facade, including the mantle, hearth, and sconces, a beautiful ceramic fireplace will be the impressive addition to your room

*From range hoods, back splashes,
table tops, to floors, ceramic tile
is the most adaptable material
for enhancing the surfaces of
our living spaces*

Framed bas relief tile and one of a kind murals are available by special order.

All the tile is hand made by Mary Kuilema. Glazes may vary slightly according to firing times and temperatures. All tile is fired to about 2200° F. and is suitable for interior or exterior installations, durable and safe for kitchens, bathrooms, even floors.

Please see website for glaze variations, colors and prices:
